PROFILE SUMMARY

Strategic Communications and Marketing professional with 5+ years of experience across AI, SaaS, MarTech, and tech industries. Experienced in leading corporate communications, media relations, thought leadership, strategic partnerships, and product storytelling to strengthen brand positioning and business growth. Proven ability to drive cross-functional initiatives, manage high-profile media engagement, navigate crisis communications, and translate complex technologies into compelling narratives for customers, partners, investors, and industry stakeholders.

WORK EXPERIENCE

Cake Taiwan

PR & Partnership Specialist

Aug 2025 – Present

- Owned end-to-end PR and partnership strategy and served as the company spokesperson, positioning Cake as an AI-powered talent platform through strategic storytelling, media engagement, and labor market thought leadership across national TV and Tier-1 business media
- Led communications for a 20,000+ attendee career fair, securing 63 media placements and driving 43.2% YoY growth in media exposure
- Directed cross-functional crisis communications, aligning product, customer success, and leadership teams to deliver timely public responses and mitigate reputational risk
- Built and executed integrated partnership campaigns with brands including Samsung, yoxi, and NordVPN, driving audience acquisition, lead generation, and NT\$400K+ in partnership value

KKCompany (BlendVision)

Growth and Enablement Project Manager

Mar 2025 – Aug 2025

Global Growth Marketing Assistant Project Manager

Oct 2023 – Mar 2025

- Led the revamp of sales and executive presentations, creating 10+ customized enterprise and leadership materials for senior management that strengthened market positioning, supported strategic decision-making, and contributed to a key USD \$90K deal
- Partnered with the General Manager and cross-functional stakeholders to develop strategic business and go-to-market communications while leading high-profile industry events and partnerships with Microsoft, AWS, and CommonWealth Magazine to enhance brand visibility and executive engagement
- Owned BlendVision's participation in Vietnam ICTCOMM, managing event budget, logistics, vendor relationships, presentation development, and exhibition execution to enhance regional brand awareness
- Localized go-to-market content, sales enablement materials, and event messaging for Taiwan and Japan markets, ensuring alignment with regional business objectives and customer needs

Appier

Senior Communications Associate

Mar 2023 – Aug 2023

Communications Associate

Jun 2021 – Mar 2023

- Developed and localized multi-channel marketing content, including press releases, campaign messaging, presentations, digital assets, and thought leadership materials for Appier's portfolio of 7 AI products.
- Cultivated strategic relationships with industry associations, academic institutions, and technology media, securing 100+ media placements, 10+ annual press inquiries, and 4 media roundtables per year
- Planned and executed 30+ corporate events, webinars, and hybrid conferences, independently managing end-to-end event operations and stakeholder engagement for audiences exceeding 100 participants
- Supported high-impact corporate communications initiatives, including earnings announcements, executive appointments, product launches, executive interviews, and corporate video productions

INTERNSHIP EXPERIENCE

Uber Eats

Business Development Assistant

May 2019 – Aug 2019

- Designed an encouragement campaign for 20,000+ couriers through analysis, targeting, and challenge reward implementation
